MEMORANDUM FOR: Deputy Director for Intelligence  
FROM: Director of Central Intelligence  
SUBJECT: KAL Shootdown

1. Can you get a more complete statement on the Thames television documentary on the KAL incident and have it sent to McFarlane, together with the Key Judgments or the Summary or whatever is available on the operational implications of the KAL shootdown. As you see from the attached from [redacted] the Vice President is anxious to get the story so a copy of the package should go to him too. In light of the prospects indicated in [redacted] memorandum that the President is likely to make a statement on the anniversary of the shootdown and also the fact that the Thames documentary may be shown the package should be sent over to Bud as soon as possible.

3. Attached are George Bush's notes on the briefing he received.

William J. Casey
